Product description

□ ApronGuard INOX 517 - Wall-Mounted Dispenser for Disposable Aprons with INOX Front

ApronGuard INOX 517 is a premium-quality, robust and hygienic **wall-mounted dispenser for disposable aprons**, specially designed for demanding environments where cleanliness, organization, and durability are essential.

Constructed entirely from **high-grade stainless steel INOX (1 mm)**, the dispenser guarantees resistance to mechanical damage and frequent cleaning. The **solid INOX front** not only enhances durability but also adds a sleek, professional look that fits seamlessly into any hygienic space.

An **integrated inspection window** allows quick monitoring of the content level without opening the dispenser, ensuring smooth workflow and uninterrupted access to protective aprons.

Refilling is easy and hygienic, thanks to the **top-loading system with a removable stainless steel lid**.

Users can choose from three dispensing slot variants:

- **001 - Round opening** - ideal for loosely folded aprons
- **002 - Rectangular opening at mid-height**
- **003 - Rectangular opening at bottom** - recommended for flat-stacked aprons

□ Applications:

- Hospitals and healthcare facilities
- Laboratories and cleanrooms
- Food and pharmaceutical industries
- Dental and beauty clinics
- Controlled hygiene zones and industrial areas

□ Key Features:

- ✓ Full INOX construction - strength, hygiene, modern design
- ✓ Integrated inspection window for stock monitoring
- ✓ Top-loading refill system with removable lid
- ✓ Choice of dispensing slots to suit your needs
- ✓ Sleek and durable solution for professional PPE storage
