### Product description

#### □ **BeardGuard INOX 392 - Wall-Mounted Dispenser for Protective Beard Covers with INOX Front**

**BeardGuard INOX 392** is a compact yet highly professional **wall-mounted dispenser for protective beard covers**, designed to meet strict hygiene and cleanliness standards in food processing, medical, and laboratory environments.

Made entirely from **high-grade stainless steel INOX (1 mm)**, this dispenser offers excellent durability, resistance to disinfectants, and a sleek, modern appearance.

A built-in **control window above the dispensing opening** allows staff to monitor the remaining contents without having to open the unit.

The **top-refill system with a removable stainless steel lid** ensures simple, hygienic and efficient restocking.

You can choose from three dispensing slot types depending on your needs:

- **001 - Round opening** - ideal for loosely packed beard covers
- **002 - Middle-height rectangular opening**
- **003 - Bottom rectangular opening**

#### □ **Applications:**

- Food industry and processing plants
- Hospitals, clinics, laboratories
- Beauty salons, wellness and SPA centers
- Industrial production zones and sanitary areas

#### □ **Key Features:**

- ✓ All-INOX construction – durable and hygienic
- ✓ Control window – for easy stock visibility
- ✓ Top-loading refill system
- ✓ Three dispensing slot options
- ✓ Compact design – perfect for tight spaces
- ✓ Sleek and professional appearance

#### □ **Technical Specifications:**

- **Dimensions:** 258 x 392 x 96 mm
- **Weight:** approx. 2.45 kg

- 
- **Capacity:** 9.71 liters
  - **Material:** Stainless steel INOX (1 mm)

---

**BeardGuard INOX 392** is a high-quality solution that combines **functionality, hygiene, and visual appeal**, enhancing organization and safety in modern workplaces.

This product has additional options:

**Selecting a dispenser:** Round dosing opening , Rectangular dosing opening with a spacer , Rectangular dosing opening without spacer
