Product description

Visibility meets hygiene with the **SecuBox Midi 4 Transparent** – a crystal-clear wall-mounted storage solution designed to hold **up to 4 pairs of protective glasses**. Engineered from durable, transparent **ABS plastic**, it allows for quick visual inventory and easy identification of PPE, saving time and reducing risk.

Its clean and minimalist design blends seamlessly into **clinics, cleanrooms, hospital corridors, and laboratories**, while ensuring compliance with workplace safety standards. The included **“Eye Protection Required” pictogram** serves as a clear reminder to use the correct protection at the right time.

Perfect for both **medical staff and visitors**, this transparent PPE dispenser elevates organization, promotes hygiene, and enhances your facility’s professional image. The box comes with **customizable adhesive labels**, allowing users to adapt it to specific departments or functions.

□ Technical Specifications:
